## Welcome to Lensloom Production

Turning moments into memories, and memories into stories. At Lensloom Production, we believe every celebration has a story. Our mission is to capture emotions, details, and real moments with a cinematic approach and artistic vision.

### ABOUT US

Lensloom Production is a creative studio specializing in high-quality wedding films, events, corporate videos, and branded content. We craft cinematic stories with elegance, authenticity, and premium production standards.

### VISION

To become a leading creative production house known for crafting timeless visual stories that inspire emotions, preserve memories, and set new standards in cinematic storytelling. We envision Lensloom Production as a brand where creativity meets technology, and every frame reflects passion, quality, and artistic excellence.

### MISSION

Our mission is to deliver high-quality wedding films, event coverage, brand visuals, and creative content through storytelling, innovation, and attention to detail. We aim to provide every client with a seamless, professional, and memorable experience while maintaining the highest standards of creativity and production quality.

# SERVICES

#### WEDDINGS & CELEBRATIONS

Complete cinematic coverage of engagement, pre-wedding, wedding, and reception — beautifully shot and edited into timeless films.

#### Corporate & Brand Films

Professional shoots for company profiles, ads, and events — crafted to tell your brand's story with cinematic quality.

#### Social Media & Creator Shoots

Reels, YouTube videos, and creative content — shot, edited, and delivered ready for your online audience.

#### Lifestyle & Concept Films

Fashion, travel, and conceptual shoots — personalized visuals that blend creativity with cinematic storytelling.

Every celebration deserves to be remembered beautifully. Our wedding and event packages are thoughtfully designed to deliver premium visuals, artistic storytelling, and a seamless experience from start to finish.

# TERM AND CONDITION

- **Booking Confirmation:**

Dates will be reserved only after advance payment and availability confirmation.

Advance amount is non-refundable. Date changes depend on availability.

- **Raw Data Policy:**

Raw footage will be shared only if requested. Client must provide a hard drive.

Data will be transferred after final payment clearance.

- **Team Meals:**

Food arrangements for the team at the event venue are mandatory.

External or alternative dining arrangements are not acceptable.

- **Coverage Scope:**

Food counters or guests during meals will not be filmed unless requested in advance.

- **Travel & Accommodation:**

For events outside Patna/Hajipur, travel, accommodation, and local transport must be arranged by the client or charged as actuals.

- **Copyright Usage:**

Lensloom Production reserves the right to use selected photos/videos for portfolio and promotional purposes.

- **Drone Usage:**

Drone operations are subject to DGCA and government permissions.

Required approvals must be arranged by the client.

- **Data Responsibility:**

All project data will be stored securely for 90 days after delivery.

Lensloom Production is not responsible for data retention beyond this period.

- **Client Responsibilities:**

Client must share the complete event schedule in advance, provide access and permissions, and ensure coordination.

Lensloom Production will not be responsible for missed shots due to delays, restrictions, or lack of coordination.

# TERM AND CONDITION

- **Booking Confirmation:**

Dates will be reserved only after receiving the advance payment and confirmation of our availability.

- **Raw Data Policy:**

If clients wish to receive the raw footage, a hard drive must be provided by them. The data will be transferred only after the final payment is cleared.

- **Team Meals:**

Food arrangements for the team at the event venue are mandatory. External or alternative dining setups are not acceptable.

- **Coverage Scope:**

We do not film food counters or guests during meals unless specifically requested in advance.

- **Travel & Accommodation:**

For events outside Patna/Hajipur, travel, accommodation, and local transport must be arranged by the client or charged as per actual costs.

- **Copyright Usage:**

Lensloom retains the right to use selected photos or video clips for promotional purposes on social media or portfolio displays.

- **Drone Usage:**

Drone operations are subject to DGCA and other government permissions. It is the client's responsibility to obtain necessary approvals for the event venue.

- **Data Responsibility:**

All project data will be securely stored for 90 days post-delivery. After this period, Lensloom will not be responsible for data retention or backup.

At Lensloom, we transform real emotions and stories into cinematic art. Every frame is shot with passion, edited with precision, and designed to connect — creating timeless visuals that truly feel alive.

# TERM AND CONDITION

- 1. Booking & Confirmation
- Dates will be reserved only after receiving an advance payment and confirmation of team availability.
- Advance payments are non-refundable under any circumstances.
- Rescheduling is possible only if the team is available for the new date.
- 2. Payment Terms
- 50% advance at the time of booking, 40% during the shoot, and 10% upon delivery.
- No raw or final data will be released until full payment is cleared.
- Payments should be made through official channels only (bank, UPI, or company account).
- 3. Travel, Stay & Meals
- For shoots outside Patna/Hajipur, the client must arrange:
- Travel: 2nd AC Train / Cab fare for the team (as applicable).
- Accommodation: Clean and safe stay near the shooting location.
- Meals: Proper food for all team members during shoot days.
- For outdoor pre-wedding shoots, local transport and food arrangements are the client's responsibility.
- 4. Coverage Scope
- Our team will cover the event, product, or project as per the discussed plan and creative brief.
- Coverage of food counters or guests during meals is excluded unless requested in advance.
- For product or corporate shoots, set arrangements, props, and brand styling are to be provided by the client (unless pre-decided).
- 5. Raw Data Policy
- Raw footage or unedited photos will be shared only after full payment and against a provided hard drive.
- We recommend clients to collect raw data within 30 days of project delivery.
- 6. Delivery Timeline
- Edited deliverables will be provided within 30–45 working days after receiving full payment.
- Additional revisions beyond the agreed round will attract extra charges.
- Delivery time may vary for long-format projects, documentaries, or brand films.
- 7. Creative Direction & Editing Style
- Lensloom retains full creative control over editing style, color tone, music, and presentation.
- One round of minor corrections is included. Further changes will be chargeable

# TERM AND CONDITION

- Client suggestions before final delivery are welcome but not binding on final edits.
- 8. Copyright & Usage Rights
- Lensloom reserves the right to use selected photos and videos for promotional purposes — including website, social media, and showreels.
- Clients who wish to keep their project fully confidential can do so by paying a 20% exclusivity fee.
- 9. Drone Usage
- Drone operations depend on DGCA/local permissions and weather conditions.
- Clients must secure permission from the venue or local authorities where required.
- 10. Overtime / Extra Coverage
- Each project includes a defined number of hours.
- Any extra shooting hours beyond the agreed duration will be charged separately.
- 11. Equipment Safety
- The client must ensure the safety of Lensloom equipment and team at all times during the event or shoot.
- Any loss or damage caused by negligence at the venue will be billed to the client.
- 12. Data Responsibility
- Lensloom securely stores project data for 90 days post-delivery.
- After this period, Lensloom will not be responsible for maintaining backups or re-uploads.
- 13. Client Coordination
- The client or a designated representative must be present during shoots to approve frames, looks, and setups in real-time.
- Delays caused by client unavailability or indecision will not be considered in the coverage duration.
- 14. Project Scope & Revisions
- Any additional shoot days, change of location, or script modification after confirmation will require a new quotation.
- All edits beyond the initial agreed scope will be considered add-ons.
